Gem Faire Vendors

I have been a Gem Faire customer for many years now. When I first started coming, I kept track of who had the best prices and trusted quality I wanted for the products with which I work. Now, one question that my customers always seem to ask is, "Which vendors should I buy from?" These are a few of the vendors I have come to know & trust. Although there are others I buy from, these in particular stand out, at least for me, in the area noted below. I hope you find this helpful.

Enjoy your shopping! I'll be there Friday doing the same! So if you see me, please say hello. And remember to stop by Saturday at my booth! See you there!

PLEASE tell them Misti of Misti's Jewelry sent you!

Thanks!

- Stop by the **Beads U Need** booth for your Swarovski crystal "fix"! Hee hee! (www.beadsuneed.com) — ask for Esaf or Lee.
- For vintage glass beads, SoftFlex & other brands of beading wire, make sure to visit the **Kahn-Fagan** booth (www.beadway.com) — Ellen & Bill are terrific.
- For semi-precious gemstones, visit **LA Source Gems** out front--ask for Matthew—he also has a cool supply of discount items that are fun to rummage through.
- For great quality & pricing on chain & other stuff, make sure to visit the **Bruna Beads** booth (www.brunabeads.com) — ask for Conson.

A map of vendor locations, as well as my classes, will be at the ticket booth.

*Make sure to come by my booth & say hello.
I would love to hear about your day at Gem Faire.*
